**Re:** Copies of Previously Submitted Revocations of Power of Attorney for  
PalmSource, Inc., That Have Not Been Processed Thus Far

Dear Commissioner:

Twenty Seven separate Revocations of Power of Attorney with New Power of Attorney and Change of Correspondence Address forms were previously submitted for PalmSource, Inc., on April 19, 2005. The U.S. Patent and Trademark Office indicated receipt of these forms, by returning stamped postcards that were submitted in association with each form. We are submitting copies of these forms with copies of the return postcards once again with a request to the Patent Office to update its PALM system to reflect the new counsel of record. Patent Examiners are still contacting prior counsel to resolve matters relating to these twenty seven cases.

A copy of the assignment to PalmSource, Inc. is also enclosed. The Power of Attorney forms authorize new counsel Berry & Associates P.C. – Customer No. 49,637 to prosecute the cases.

Respectfully Submitted,
